October 2016 NEWSLETTER

Mustard Seed Faith

The first Sunday in October we will be reading the story of Jesus telling the believers about a mustard seed and how a tiny seed grows into something big. The church in the first century was like the mustard seed. Jesus began with a few followers and Christianity – the movement was born. Some scholars believe that without the Apostle Paul or without Constantine making Christianity a state religion, the movement would have died. I tend to believe the Jesus movement would have carried without Constantine and surely the Apostle Paul was a part of the movement.

Here in 2016 we are in a position to take the long view. The popularity of the Jesus movement has ebbed and flowed but will never die. Individual congregations are a part of the ebbing and flowing. No single congregation was intended to last forever. Other formations of the church will pick up the baton and carry the spirit. That said, we are having a hope filled fall. We have a team of five ready to attend the Synod's Renewing event on Saturday, October 1st. The book study, *America's Original Sin: Racism, White Privilege and a Bridge for the Future* has been rescheduled for October 16th. We will have a non-traditional worship service on October 16th celebrating the Blessing of the Pets. We have all sorts of fall rentals going on.

We have faith of a mustard seed and trust God is doing great things.

Blessings,
Pastor Lori

SYNOD ASSEMBLY 2017 – Saturday, April 29 & Sunday, April 30, 2017

Madison Marriott West – PLEASE SAVE THESE DATES!

Recurring positive feedback about our assemblies is clear and positive...attending assemblies helps our leaders feel more connected to the larger church and God's kingdom. This is an important way to walk together, so save the dates on your calendars today! Remember these dates so you don't schedule your baccalaureate or wedding or anything that requires a pastor. All pastors in a call are expected to attend Synod Assemblies and should be thinking of lay leaders who would benefit from having a bigger church view by attending assembly and being a voice in our shared work. Plan ahead!
